Re: John Paul Du Bois, Also Known As  
John Dane

Dear Deputy Morrisett:

This letter will confirm a conversation between Special Agent Julian J. Miller of the Phoenix FBI office and yourself on October 1, 1976.

Information was received from the Los Angeles FBI Office that Dane arrived at the Los Angeles International Airport on May 6, 1976, and was interviewed at U.S. Customs. In his possession were claim checks for two suitcases. When asked if these bags were his, Dane replied they resembled his, however, he could not be sure as upon his arrest in Guatamala, his belongings were seized and searched. Dane refused to examine the luggage for verification.

Dane stated he had no monies other than that which was on his person. No cameras, money, or airplane tickets were located in his luggage. As Dane would not claim the luggage, a complete inventory of the suitcases was not made and the suitcases were transferred as one unit with Dane to the U.S. Marshal, Los Angeles, on May 7, 1976, and subsequently to the U.S. Marshal, Phoenix, on May 14, 1976.

Enclosed is a copy of the personal items  
of John Dane when booked at the Los Angeles County  
Jail.

Very truly yours,

SUBJECT: Missing Property

Sir,

May I respectfully draw your attention to the enclosed list, that represents items missing from my property after a full inventory search was conducted by myself, and in the presence of police officers at Chandler City Jail, on 25 June 1976.

This was the first time since my arrest, such an examination had been authorised.

The last time I saw any of the missing items was in Guatemala City, 6 May 1976, where in my presence they were packed into three units of baggage, after which, also in my presence, they were checked in at the Pan American Airlines counter for transfer to Los Angeles, via Flight PA 516. Being an unwilling passenger on this flight, being in custody of the Chief of Interpol, I was not permitted to retain any property enroute.

After my involuntary entry into the United States, I was not permitted to re-examine the baggage and check the contents, as the baggage was picked up by two Los Angeles FBI agents. To the best of my knowledge, the baggage remained in FBI custody until it was reportedly transferred to the Los Angeles US Marshal's office. Requests to the US Marshal's office to conduct an examination of my baggage were denied.

The baggage was then reportedly, transferred via the US Mail Service, to your office in Phoenix, where again repeated requests to examine my baggage was denied both by your office, and the Maricopa County Sheriff's office. After my transfer to Chandler City Jail, police officers there finally permitted me to examine my baggage under strict supervision, and recorded the loss along with me.

(Continued on page two)

US Marshal Phoenix / John A. Dane reference missing property.

As the missing property represents a value greater than \$4,000.00, I feel that some effort should be made by your office, to investigate its loss, determine its whereabouts, and affect its recovery, return or replacement.

Sincerely,

John A. Dane

Dear Sir,

Pursuant to your letter dated August 30, 1976 regarding "missing property," we have contacted authorities at Chandler City Jail, Chandler, Arizona; Maricopa County Jail, Phoenix, Arizona; U. S. Marshal, Los Angeles, California; and the Federal Bureau of Investigation in both Phoenix and Los Angeles with negative results.

We are informed that upon your arrival at the Los Angeles International Airport on May 6, 1976, you were interviewed at U. S. Customs and that you had claim checks in your possession for two suitcases. When you were asked if these bags were yours, you replied that they resembled yours, however, you could not be sure as upon your arrest in Guatemala, your belongings were seized and searched. We are further advised that you refused to examine this luggage for verification.

We are also advised that you stated that you had no monies other than that which was on your person. No cameras, money or airplane tickets were located in your luggage. As you apparently would not claim the luggage, a complete inventory of the suitcases was not made and the suitcases were transferred as one unit to the U. S. Marshal, Los Angeles on May 7, 1976 and subsequently to the U. S. Marshal at Phoenix, Arizona on May 14, 1976.

I am enclosing a copy of a listing of your personal items when you were booked at the Los Angeles County Jail.

Since no evidence of the existence or whereabouts of the items mentioned in your letter of August 30th can be found, we are unable to pursue the matter further.

Very truly yours,
